

Week 2 Easter Edition

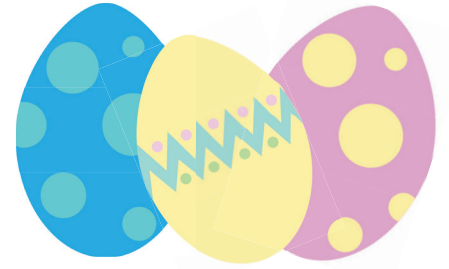

Weekly Activity Ideas for You and Your Children

Outdoor Activities

EGG AND SPOON RACES – Each player has their own spoon to balance a boiled egg or chocolate egg. Create a race or obstacle course around the backyard. If the egg falls off the spoon you need to go back to the start and start over.

EASTER BUNNY HOP RACE – Step into a pillow case and while holding on to it, hop around the backyard and have an Easter Bunny race. If you don't have any extra pillow cases you can put your two feet together and hop like the best bunny that you can. For an extra challenge, hide a carrot or some Easter Eggs which each player will compete to find. Remember: Hopping only!

Indoor Activities

DECORATE YOUR OWN EASTER EGG – If possible, boil up some fresh eggs and use textas/ paint/pencils to decorate. You could also use a rock/stone or draw your own for the child/ren to colour.

STORY TIME – Read a book together as a family. To make it extra fun, change the names of the characters to the names of people in your family.
