### How we can help

We work in partnership with parents and caregivers to nurture family strengths, and to build confidence in supporting their children's development and wellbeing.

We provide opportunities to build stronger connections with family, friends and the community.

We can come to you. We can meet your children in your home, or at school. This ensures that families are able to access our services in an environment that is accessible, comfortable and safe.

We respect and welcome diversity, and we care about your cultural beliefs.

We respect your right to a safe and confidential service, and we will discuss our confidentiality processes in detail with you.
