How We Help

Intercountry Adoptee and Family Support Service (ICAFSS) offers trauma informed counselling and support services to help navigate the unique complexities and challenges that intercountry adoption creates.

Who It's For

- + Intercountry adoptees: children, young people and adults
- + Adoptive parents of children adopted from overseas or expatriate adoptions
- + Family members of intercountry adoptees
- + Anyone who is going through the

What We Provide:

- + Individual and family counselling
- + Case management and casework support
- + Therapeutic groups
- + Parenting support
- + Small grants and bursaries scheme
- + Referral to other support services where required
- + Education and training for allied health and community workers

Cost

There is no cost for our support services.

Small Grants and Bursaries Program

The Small Grants and Bursaries (SGB) Program supports adoptees and adoptive families to develop community-based initiatives and to connect with others through shared experiences, offering up to up to \$50,000 a year through grant rounds. Contributions to costs associated with adoption are also available through the Bursaries Program.

Groups and Workshops

We provide therapeutic groups and workshops throughout the year.
